

Student Catalog Addendum

The Bureau for Private Postsecondary Education (BPPE) has changed the Student Tuition Recovery Fund (STRF) assessment rate from zero (\$0) per one thousand dollars (\$1000) of institutional charges to fifty cents (\$.50) per one thousand dollars (\$1000) of institutional charges, effective February 8, 2021. This catalog addendum updates the Tuition and Fee Schedule in the 2021 Student Catalog to reflect this change to the Student Tuition Recovery Fund column.
