In accordance with the federal *Student Right-to-Know Act*, and to assist you in making an informed decision about your career education, the Institute for Business & Technology has provided the latest Integrated Postsecondary Education Data System (IPEDS) graduation, retention and student body diversity rates for your review. Accreditor placement rates are available in the ACCET Completion and Placement Statistics and ACCSC Graduation and Employment Disclosure, and state placement rates are available in the School Performance Fact Sheets, all of which can be found online at: <https://ibt.edu/about/student-consumer-information/>.

Annual Graduation Rate

The annual graduation rate is calculated based on a cohort of full-time, first-time, certificate-seeking students, enrolled from September 1, 2017, through August 31, 2018, and for whom 150% of the normal time for program completion has elapsed as of August 31, 2020. The initial cohort may be adjusted for students who left school to serve in the armed forces (or have been called up to active duty), on an official church mission, or with a foreign aid service of the federal government, or for students who died or became permanently disabled.
